School Building Maintenance

We recognise that seeking 'Best Value' is more important than ever for schools in the current financial climate and we would like to support you in this endeavour by offering a cost effective and bespoke service as an alternative to the usual service agreements available through the Local Authority.

No need to sign up to a costly annual agreement just register for free with KC Construction

Who are we?

- ◇ A reputable local building and maintenance company
- ◇ Enhanced CRB checked personnel
- ◇ Specialists in refurbishments and renovations
- ◇ Professionally qualified fully skilled contractors
- ◇ Customer focused with school experience
- ◇ On average 15-20% less than the Local Authority charges
- ◇ All work fully guaranteed and excellent aftercare

See overleaf for some of the services we can offer

Recent work has already been successfully completed at
Greenway Primary, Griffin Primary and Fountain House PRU.
